The story:

Ácido is a South American influenced restaurant that welcomes you into a meeting point.

Either you are here to socialize over a drink, starter or a main course.

The concept is built on social eating with dishes that are perfect to share around the table such as ceviche and tacos.

In the center of Ácido you find our skilled bartenders preparing cocktails perfectly matched to our South American flavors. We always encourage guests to try our signature cocktails with the social eating concept. This will give you an experience far from the traditional way of dining
